

Source Cards

These can be a little tricky! You can find many, many sources that will show you how to create a source card that will work with MLA format. I have chosen to use the following type of source card for many reasons. 1. They work well with Historical Research 2. Everyone is on the same page and all source cards are uniform and 3. This type of source card makes creating an MLA citation page very easy work.

A Book(One Author)

<u>Last Name, First Name</u>	<u>#</u>
<u>Name of the Book</u>	
<u>Location of Publication</u>	
<u>Name of Publisher</u>	
<u>Date Published</u>
